

Dreaming at Almond

Your personal pillow menu for a perfect night's sleep

Dear guests, We believe that a perfect vacation begins with deep and quality relaxation, and therefore we have carefully selected a variety of pillows in different levels of support for you. You are welcome to browse the menu, choose the pillow that will provide you with the ideal support and comfort, and update us.

Sweet dreams, The Almond Hotel Team

Bio Natura

Firmness Scale

01	02	03	04
----	----	----	----

A 100% latex pillow made from long-lasting, natural, organic and antibacterial materials. Its exceptional flexibility allows it to adapt to your body in any sleeping position.

Be Calm

Firmness Scale

01	02	03	04
----	----	----	----

A Viscogel pillow that adapts perfectly to your body position. Made from a temperature-sensitive viscoelastic polymer, the pillow softens with body heat and adjusts to the shape of your neck while you sleep.

Rio / Be cool

Firmness Scale

01	02	03	04
----	----	----	----

A pillow with a unique core of elastic Viscogel and liquid gel - a 3D liquid polymer - providing excellent support and comfort while sleeping and full recuperation when awake.

Down Pillow*

Firmness Scale

01	02	03	04
----	----	----	----

An exceptionally soft and cozy pillow filled with 70% duck feathers and 30% soft down, providing a soft and enveloping feel.

*The Down Pillow is not suitable for vegans.
